PHILADELPHIA, Pa., Aug. 8.—Phila-delphia took both games from Washington today without any great difficulty. locals jumped into the first game in the fourth inning. Three doubles came in succession, and from then on hits were plentiful. Davis, in the sixth, lifted the ball over the fence in right centre by way of variety. The Senators were not full of singer, and the support accorded Lee did not seem to suit him. While the real errors were not many, yet the team did not hustle and Lee rather gave up in

There was nothing doing until the third. Then the Athletics made three hits count as many runs. Fultz went out at first and Davis drove the ball over second for base. Cross gave a fielder's choice to Clingman, who threw to second, but Farreli did not cover the bag in time to make good the play and both runners were safe. Lajole brought them both home with a hit to deep centre. Seybold followed with a smash to right and stole second. McIntyre sent up a fly to Farrell, which the second baseman dropped, and Larry sneaked home. Further trouble was averted by a double play. Ely hit to Clingman, who threw to Farrell, retiring McIntyre, and Ely was Howell, of the Orioles, an Invincible

doubled at first.

The fourth inning was also a large one Powers led off with a fly to Mike Grady Fraser singled and peached second on Farrell's muff of the throw. Fultz was thrown out by Clingman, Davis' two-bagger brought home Fraser. Davis was scored by Cross' two-base hit, and Lave tallied on Larry's smash to centre, which left him on second. Seybold let him stay

there by flying out to Waldron.

Not until the lifth did the Senators find the home plate. The solution seemed very simple, for Clingman doubled and scored on Lee's single. A base on balls, a sucri-fice, and Foster's muffed fly gave the Athletics a run in this inning.

Four runs came in the sixth. Davis' homer was one; singles by Cross and Mc-Intyre, and doubles by Seyboid and Ely made up the other three. Washington got one in in the sixth because Foster's fly was allowed to drop safe in short right field. A hit by pitcher, a muft of a fly by McIntyre, and a base on balls gave Washington a run in the seventh.

Dungan, Grady, and doubles by Foster and Lee counted three for the Senators in the ninth. The score: PIRILADELPHIA.

The Second Game. From the very first the Athletics had things their own way in the second game. There was nothing to it, and the Senators were lost for fair in the opening inning. A missed grounder by Clingman in the second gave the Athletics three of their five runs. Four singles and Farrell's fumble did the rest. It was bumpety-bump all along after that. In the sixth a single by Lajoie and a sacrifice by Soybold added to the misplays of the visitors were good for three runs.

The third inning was the Senators only good one, and then they got together three runs with the assistance of Powers' wild throw. Waideon doubted and singles the Partell. Gear and were contributed by Farrell, Gear and Mercer. The score:

SENATORS AT HOME TODAY. Will Play a Double Header With the

Philadelphia Athletics. Manager Manning and the members of the Washington baseball team will return home this afternoon and will play two games with the Philadelphia club for one

admission. The Senators are a pretty well demor alized lot of ball tossers and come back with a record that does not hold out any great inducements for a large attendance. As a matter of fact, local ad-mirers of the game are much disgusted mirers of the game are much disgusted with the miserable showing of the home men on the trip just completed, and it is doubtful if any team that has ever represented the Capital has ever surpassed it in the matter of defeats. Victories have been recorded for the opponents of the Manningites with a regularity that has been very disheartening to the people in this city who had planed their faith to the Washingtons. With the return to their own stamping grounds the Senators may show an improvement in their playing.

Manager Manning has signed Campbell, centre fielder of the Chester team, and Jordan, first baser an of the Hobokens. They may play in tomorrow's game.

Carrick and Patten will probably do the box work for Mr. Manning's men, while Plank and Fraser are expected to look after the pitching end of the contests for the visitors. The first game will be called at 2.30 o'clock.

### EASY FOR MERRIAM'S MEN.

The Census Team More Than a Match for the Treasuryites.

Ultra-fascination for and over imbibing in ice-cream soda causes queer hallucina-tions in the case of "Johnnie" Russell, he of Treasury fame. At one time he imagines that he is a great slab artist, and acts accordingly. At another he thinks that he is an all-round baseball tosser and assigns himself to whatever position may suddenly take his fancy. But this is merely friend "Johnnie's" imagination working overtime and consequently he is exonerated from blame. Laboring under

merely friend "Johnnie's" imagination working overtime and consequently he is exonerated from blame. Laboring under the first impression, he took the centre of the diamond for the men from Fifteenth Street yesterday afternoon. Director Merriam's men found him to be just the pitcher they were looking for in order to fatten their batting averages, and those who did not feel like exerting themselves to get a hit simply waited for their free pass, which in nine cases out of ten they were successful in getting. The game, from a Census standpoint, merely limbered the boys up for their next "game." From a Treasury standpoint, it was a case of misplaced confidence.

Hussell led his tribe to the bat, and after promenading to first cushion he promptly abscorded to second, and went to the next stor on a long fly to left garden. A moment later he waddied home on a hot one to short, making the first tally for his team. The First Street men could get no farther than second in their haif of the first, but in the second there were enough runs made to land the game high and dry and out of the reach of marauders. The first trio of batters who came up lined out clean singles and filled the bags. Thenone of the population takers drew a base on balls and a man was forced. The next man was more cager to hit the leather than his predecessor, and he "lucked" one out to left field that cleaned the sacks and landed him on the first hassock.

Next on the programme was a series of wild throws in which the entire infield participated, and after the dust had cleaned the sacks and landed him on the first hassock.

The men from Uncle Sam's counting house were plodding their way through the game with heavy hearts, and in the sixth, when all the corners were occupied by Treasury men, and they had a good chance to case up on their rivals, three men were thrown out at first in su

AMERICAN LEAGUE PLANS.

Gossip About the Conference Held a Chiengo. CHICAGO, Aug. 8.-Not to be caught

napping, the American League magnates have begun to string wires around their own preserves. Apparently the gathering of the National League magnates in New York hurried for the conference of the American League moguls held in President Johnson's office. At the meeting were Henry Killien and Treasurer Goss, of the Milwaukee club. President Somers, of the Hoston club, Charles Comiskey, of Chicago, and President Johnson.

According to those at the conference, there was "nothing coing," but just the

same an all-American conference engross ed the magnates who "just happened in." At the close of the session President John-son said that of course there had been some informal talk over the baseball situation, but no decision had been reached.

The topic which was under consideration most of the time was the disposition of the Milwaukee franchise. It is an open of the Milwaukee franchise. It is an open secret that the majority of the American League magnates are anxious to have the franchise transferred to St. Louis and an effort has been made to have several wealthy men buy out Mr. Beckers. Unless a new tangle should come up Milwaukee's franchise will be transferred to St. Louis without fall at the end of the present season. The Cleveland and Baltimore situations were also gone over. There is a bare possibility that the Cleveland franchise will be transferred to Cincinnati. Plans were discussed for putting a club into New York, but this can be considered as rather chimerical at present. In case New York should prove inaccessible Pittsburg will in all likelihood be invaded.

## MANY RECORDS BROKEN.

Fast Twenty-Mile Race Between Stinson and McEnchern.

BALTIMORE, Aug. 8.—The twenty-mile motor-paced bicycle race held here at the Coliseum tonight between Archie Mc-Eachern and Will Stinson was one of the best contests ever held in this city. Stin-Both men were in excellent condition and started off at a record-breaking pace At no time were the men more than forty yards apart. All records were broken from the third to the eighth mile. The fifteen-mile record was broken and a few seconds of the twenty-mile world's record, held by Elkes, were also clipped

it was simply a case of McEachern trying to pass Stinson and the latter trying to to pass Stinson and the latter trying to keep Archie from taking the lead. In the eighteenth mile McEachern's motor went wrong for a few moments and Stinson gained about forty yards. This was the greatest lead he had at any time. Mc-Eachern regained a little of the lost ground, but was unable to overtake his

opponent.
Stinson rode the twenty miles in 30 min-utes 18 2-5 seconds. About 6,000 people were
